The American College of Foot & Ankle Pediatrics is excited and proud to announce its 8th Annual ACFAP Pediatric Foot & Ankle Seminar. The Seminar will take place in Moab, UT on October 19-21, 2023.

This CME event will feature leading authorities on pediatric foot & ankle conditions. It will cover topics ranging from pediatric H&P, flatfoot, equinus, sports medicine, surgery, and rotational conditions. The meeting will be preceded on Thursday October 19 by a one day national park excursion.

Featured at this meeting will be spectacular Arches National Park.

At the Conclusion of this meeting, the attendee shall be able to:

- Develop effective Protocols for treating the pediatric patient.
- Effectively evaluate surgical vs. non-surgical options for many common Pediatric foot & ankle pathologies.
- Improve patient outcomes in the pediatric patient for common conditions such as flatfeet, juvenile HAV, and Equinus.
